At 5%, the contribution will amount to Rs 183. The recovery of the amount & the arrears from Nizam's Railway over the charges in regard to the Railway is in contemplation

Please)

3 The percentage levy is expected to cover the cost of the supervisory staff in the Deputy Commissioner's office and Mag Commr office, also.

4 However, in view of the fact that the institution has been deprived of the contribution of Rs 864 p.a, some consideration may be shown to it. The Mag Commr proposal may be approved.

M. C. 13]

OFFICE OF THE MUZRAI COMMISSIONER IN MYSORE,

Bangalore, 20th December..... 1929.

No. 150 Cul File
26.7

FROM

Rajakaryapravina
P. G. D'Souza, Esq. B.A., B.L.,
The Muzrai Commissioner in Mysore.

To

Rajasevaparayana
B. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

SIR,

I have the honor to submit herewith in original for reference and obliging return letter No..1.603/ dated 25th November 1929 --- together with its enclosures received from the Deputy Commissioner, Mysore District, recommending, among other matters, that the Jaggu Lala's Charities in Mysore, may be exempted from contributing to the the Muzrai Establishment Fund for reasons explained.

2. These charities had been originally endowed with a cash grant of Rs.864/- P.A. but it was discontinued from the year 1927-28 on the abolition of the Government anna chattrams in the state. The Managing Committee of the charities now represent that as the -- discontinuance of the grant has affected, the financial condition of the institution considerably and as the Dharmasala is serving a very useful purpose in the city, especially at the time of the Dasara and the Birthday festivities, the recovery of contribution to the establishment fund may be waived. This is recommended by the Deputy Commissioner.

3. At present there is an establishment costing Rs.255/- a year in the office of the Mysore City Magistrate who is also the President of the Committee in addition to the establishment maintained in the Manager's office for the internal management of the charities and

the

the charges on account of both the establishments are met out of institution funds.

Calculated at 5% of the income the institution is liable to pay a sum of Rs.285/- to the Establishment Fund annually. This has not been collected from the institution for the past 3 years since G.O. No.574-5/Muz.341-26-4 dated 12th October 1927 sanctioning the levy of the same was passed.

4. The recovery of contributions from institutions under --- Government management is based on certain principles and they do not permit of any exceptions being made. If every institution under Government management claims to be dealt with in this manner, there will be no fund for bearing the expenses of the central authority which under the present scheme is to supervise and co-ordinate the work of the several institutions in the state. I cannot therefore agree with the Deputy Commissioner that contribution to the Establishment Fund should be waived in respect of this institution. It is not however, fair to levy the contribution and at the same time make the institution pay for the establishment maintained in the City Magistrate's office for the administration of the charities. I beg therefore to recommend that contribution at Rs.285/- may be recovered from this institution for the Fund as in the case of institutions of a similar nature and the charges for the establishment maintained in the City Magistrate's office met from the Muzrai Establishment Fund in future. For the present the excess of contribution to the Fund from this -- institution over the charges incurred in this behalf in the City -- Magistrate's office since 1926-27 may be ordered to be recovered and credited to the Fund. I solicit the favour of early orders on the above two points.

5. Orders sanctioning the revised scale will be passed by me on return of papers.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.
